

Ashburton College

Individual Excellence in a Supportive Learning Environment

WELCOME

Kia Ora and Welcome,

I am delighted that you are considering Ashburton College for your child's secondary education. Our College has three core Values: Achieving Quality, Showing Pride and Having Respect. These values will support our learners as they move through life.

We are part of the global movement working towards transforming the education system. Our emphasis is on developing learners with the skills and dispositions that will be required in the future. Learners will need to be creative problem-solvers who are collaborative, creative and resilient.

Our College embraces diversity and we offer a comprehensive range of academic, vocational and extra-curricular choices. We also enjoy the significant advantages of well-established grounds. Our students are supported by skilled staff, and benefit from significant community support and access to many cultural and sporting facilities.

Thank you for your interest in Ashburton College.

*Individual Excellence in
a Supportive Learning
Environment*

Ashburton College is situated in Ashburton, Mid Canterbury, the heart of New Zealand's beautiful South Island. Only an hour's drive south from Christchurch, Ashburton is a growing, vibrant town.

Ashburton is the bustling hub of the district, at the centre of a compact but amazingly varied region. Called New Zealand's granary, Mid Canterbury is an innovative farming and business region. A destination in its own right, it combines modern city facilities and vibrancy with rural town friendliness.

ACADEMIC OPPORTUNITIES

YEAR 9

- ▶ A broad common curriculum is taught to Year 9 students. This covers the eight learning areas of the New Zealand Curriculum. English, Mathematics, Science, Social Studies, and Health and Physical Education are taught over the full year. Technology, Languages and Arts are taught through modules over the year.
- ▶ Students have the choice of learning in 14 subject-based classes or through a cross-curricular, project-based programme known as Innovation classes.
- ▶ Extra help with literacy is available through an enhanced programme of English/Reading.

YEAR 10

- ▶ Students continue with English, Mathematics, Science, Social Studies, and Health and Physical Education. Three subjects are also chosen from the Technology, Languages and Arts curriculum.
- ▶ In selected subjects Year 10 students may take NCEA Level 1 Standards that will be credited to their results once they enter Year 11.

YEAR 11

- ▶ English, Mathematics and Science are compulsory and students also choose three additional subjects for the year.
- ▶ NCEA Level 1 requires a minimum of 80 credits (at least 10 Numeracy Standards and 10 Literacy Standards).

AGHORT ACADEMY

- ▶ This is designed for students who are interested in Agriculture, Forestry and/or Horticulture and are considering a career in a Primary Industry when they leave school.

YEAR 12

- ▶ Students may study subjects at NCEA Level 1 and Level 2.
- ▶ An English course is compulsory (NCEA Level 1 or 2 English).
- ▶ NCEA Level 2 requires 60 credits from Level 2 or higher and another 20 from any other level.
- ▶ The general standard for entry to Year 12 subjects is 60 NCEA Level 1 credits. Students with less than 60 credits at the start of the academic year may need to continue with some Year 11 subjects.

YEAR 13

- ▶ Students may study subjects at NCEA Level 1, Level 2 or Level 3.
- ▶ English is not compulsory unless the Literacy requirements for University Entrance (10 Literacy credits at Level 2, five in writing and five in reading) have not been met.

ACADEMIC OPPORTUNITIES

TO BE AWARDED UNIVERSITY ENTRANCE YOU WILL NEED:

- ▶ NCEA Level 3 (You need 80 credits, of which 60 must be at Level 3 or above, and 20 at Level 2 or above – those 20 are usually gained the year before).
- ▶ Three subjects – at Level 3 or above, made up of 14 credits each, in three approved subjects.
- ▶ Literacy – 10 credits at Level 2 or above made up of 5 credits in reading, 5 credits in writing. These credits can come from a range of subjects, not just English.
- ▶ Numeracy – 10 credits at Level 1 or above.

For full curriculum information and pre-requisites, including Scholarship information, please refer to the Ashburton College Curriculum Booklet (www.ashburtoncollege.school.nz)

GATEWAY: YEAR 12–13 STUDENTS

Students study an individualised learning plan with industry-based unit standards that contribute towards their NZQA Record of Learning. Students attend their Gateway placement one day or part-day per week.

This provides students with the opportunity to 'test drive' their career choice in a real workplace, gaining valuable 'real' experience and learning.

TRADES EXPERIENCE COURSE

This course, available to Year 12 and 13 students, is designed to offer students experience over a variety of trades. Students who are placed on the Course spend, for most of the school year, two days a week on work experience and the remaining time in their College classes. The purpose of the Course is for students to graduate, at the end of the College year, by gaining an apprenticeship in their chosen field.

ONLINE LEARNING:

Students might choose an online subject if they: want to take a subject Ashburton College does not offer, have a column clash, need to be more flexible with their learning or enjoy learning online.

Subjects offered online include: Art History, Psychology, Philosophy, Media Studies, Electronics, French, Chinese, Korean, Spanish, Samoan, Tongan, Cook Island Maori, Computer Science, Social Studies and Equine Studies.

DUAL PATHWAYS COURSES:

Dual Pathways courses are courses where our students go off-site 1 or 2 days a week to study a vocational subject at Ara Institute of Canterbury. Popular examples of these are the Introduction to Automotive Skills, Agriculture, Engineering, and Introduction to Salon Skills. Students learn in a 'hands on' style and acquire real world, industry-based skills. The benefit of the Dual Pathways courses is that students can get specific industry experience while still studying at Ashburton College.

GROWING LEADERS

PEER SUPPORT

Each year, Year 12 students are involved in supporting Year 9 students, to help with the transition to secondary school life.

MENTORING

Students have opportunities to mentor younger students in a range of areas.

STUDENT EXECUTIVE

Our Student Executive is a team of senior students led by our Head Boy and Head Girl and supported by the Deputy Boy and Deputy Girl. The Student Executive has a number of Executive Committees all focused on enhancing the College and providing welfare and recreational activities for students.

LEADERSHIP CAMP

Year 13 students participate in a leadership camp each year. During this time their leadership skills are developed and responsibilities reinforced.

BOARD OF TRUSTEES REPRESENTATIVE

Each year the students from Year 9 to Year 13 elect a student representative to the Board of Trustees.

YEAR 9 AND 10 STUDENT COUNCIL

Two representatives from each class are elected on this Council. Their role includes welcoming new students and organising inter-class events.

HOUSES

Ashburton College has a long and well-developed history of four Houses – Blue, Green, Orange and Red – that group students across the College. The Houses provide a number of opportunities for students from different year levels to mix and work together competitively in sports and cultural activities.

The annual House Competition provides a focus throughout the year. Each House has a student-led Executive and is assisted by teaching staff.

Providing opportunities for leadership is one of the key facets in educating for life. Our students are encouraged to participate and assume various leadership roles from Years 9-13.

“AshColl Way is to support, encourage and achieve to a high level”

INTERNATIONAL STUDENTS

Ashburton College warmly welcomes students from overseas countries, both as Fee Paying and Exchange Students. Many students attend for the full academic year, while others are welcomed for a shorter time. Both international students and visitors are greatly enjoyed and valued for the richness and diversity that they bring to the College.

The town of Ashburton is set below the Southern Alps on the Canterbury Plains, and is at the heart of a vibrant and progressive area. The College is centrally located, close to sporting and cultural venues and the town centre.

Many opportunities for success are provided, both inside and outside of the classroom, in our friendly community environment.

THE INTERNATIONAL DEPARTMENT

The International Department has a dedicated team of staff who have supported students for over twenty years. This team works together to ensure that all students are supported emotionally, physically and academically at Ashburton College.

ENGLISH AS A SECOND LANGUAGE (ESOL)

The College offers a variety of ESOL classes to meet the needs of all Second Language Speakers. The class/classes a student takes reflects their level of English Language capability. Class sizes are small and lessons are offered in a supportive environment by a specialist teacher. An Intensive ESOL Class is offered to those students requiring extra language development and support. This class works towards a gradual integration into the mainstream.

ESOL classes are also offered at all year levels. The purpose is to teach students the English language skills required to achieve qualifications in the New Zealand Education System.

ACADEMICALLY

Our aim at Ashburton College is to provide students with the opportunity to maximise their individual academic potential. The College employs experienced Academic Tutors to help students adjust and achieve in their new environment. The Tutor can go into classes with them when required, which can help students settle into the class and understand its content.

INTERNATIONAL STUDENTS

HOMESTAY

Our homestay families are personally selected by the International Department. All care is taken to ensure the students' needs and particular interests are paramount in matching students with a family. International students will receive information and contact details about their homestay family before they leave their home country.

The happiness and well-being of our students is of utmost importance to us and we strive to provide excellent care of them during their stay. We want the international students to return to their home countries with fantastic experiences and memories of their time spent at Ashburton College.

Homestay family and student support is provided by the Homestay Co-ordinator and Director of International Students, and regular meetings are held with the homestay families.

CODE OF PRACTICE

Ashburton College observes, and is bound to, the Education (Pastoral care of International students) Code of Practice 2016. Copies of the Code are available from the College or from the NZQA website:

www.nzqa.govt.nz/providers-partners/education-code-of-practice/

HEALTH AND TRAVEL INSURANCE

It is essential for International Fee Paying and Exchange Students to obtain medical and travel insurance. This insurance must cover the time from leaving home, staying in New Zealand and returning home. Ashburton College's International Department or your agent can organise this insurance for you.

IMMIGRATION

The New Zealand Immigration Service can provide full details of visa and permit requirements and other relevant information.

Their website address is:
